continued.

"What's the matter back there!" demanded the Mayor. A chorus of hoarse voices answered in unison.

"We got Clark Street Kate." Chief!"

The Chief of Police leaped from behind the table. The Mayor and others followed. They met the struggling quartet midway in the room. They all returned to the table of honor.

"Who's this?" asked the Mayor. "Clark Street Kate." Clark Street Kate. Clark Street Kate.

gave us the jump a coupla years back!"

"Fancy meeting you here, Kate,"
"I want Natalie more than anything else in the world!" came Jimmy's firm assurance.
"And how about you?" asked His Honor, turning to Vivian, now low as Clark Street Kate, the Shake-Down Queen.
"I can't get married—yet," was Kate's rueful reply. "My husband is doing a two-to-fourteen stretch at Stateville and Jimmy, with Mack Hanlon and Sunny's father, wore opposite. The latter two were unaware of the drama in the situation for the other four.

"The Chief addressed the Mayor."

"And you, Jimmy Hale—you want to marry this girl?"
"I want Natalie more than anything else in the world!" came Jimmy's firm assurance.
"And how about you?" asked His Honor, turning to Vivian, now low about you?" asked His Honor, turning to Vivian, now low as Clark Street Kate, the Shake-Down Queen.
"I can't get married—yet," was Kate's rueful reply. "My husband is doing a two-to-fourteen stretch at Stateville and he won't give me a divorce!"

By this time Monty and Sunny were standing close to each other. Natalie and Jimmy, with Mack Hanlon and Sunny's father, wore opposite. The latter two were unaware of the drama in the situation for the other four.

The Chief addressed the Mayor. "And you Jimmy Hale—you want to marry this girl?"

"And you, Jimmy Hale—you were set loose this season under the surveillance of game protectors, but only six were able to bring down one of the turkeys.

acres you plant are going to work for

you or whether you are going to work all season on land which will bring you little return. Properly fertilized acres are always on the job. Make sure your cotton fertilizers give the land enough potash to keep the cotton crop growing, free from rust (potash starvation), to satisfactory yields of good quality which will pay you profits. Fertilizers applied at the rate of 400-600 pounds per acre should contain from 6-10% potash to insure young cotton plants receiving enough of this necessary plant food. Later in the growing season, more potash can be added in a nitrogen-potash top-dresser, if required. Consult your county agent or experiment station

about the fertility of your soil. See your fertilizer dealer about the right amount of potash in your fertilizer. Write us for further information and literature.

We take the same to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and then seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and the seemed to find themselves, Monty's Natalie and Jimmy stepped for let's honor the chef first and the seemed to find themselves have been seemed to find themselves have been seemed to find themselves have been seemed to find the seemed to find themselves have been seemed to find the se "Not a bit!" came Sunny's stout spend the rest of the evening hon- eyes could not help being focussed ward. It seemed that the Mayor, was conscious, too, of Natalie and to see everything turn out."

ette. He plied the match to both. banquet proceeded. As the entree that the evening would be full of expression. "I wonder if Nat and Jimmy will be there," queried Sunny, half to herself.

"Nat's covering the blowout." remarked Monty, meaningly, "and I hardly think Jimmy would miss I hardly think Jimmy would miss fun."

"Aren't you just a bit malicious?" Sunny asked.

"I wonder if Nat and Jimmy will be there," queried Sunny, half to herself.

"Monty!—There's Nat and Jimmy will interrogated.

"We're old friends!" interrogated.

"We're old friends!" insisted wond with a brezzy smile, "but maybe some over Alaska," began Monty with a brezzy smile, "but maybe some on the other end of the line of the language I used then would not fit in right now!"

"Aren't you just a bit malicious?" Sunny asked.

"I wonder if Nat and Jimmy will be there," queried Sunny, half to herself.

"Monty!—There's Nat and Jimmy will interrogated.

"We're old friends!" insisted wond friends!" insisted work a brezzy smile, "but maybe some on the other end of the line of the language I used then would not fit in right now!"

"She made me realize that I loved Monty, after all!"

"And if I had known we were that would have reached the public at the other end of the line."

"She made me realize that I loved Monty, after all!"

"And if I had known we were that would have reached the public at the other end of the line."

"She made me realize that I loved Monty, after all!"

"And if I had known we were that would have reached the public at the other end of the line."

"She made me realize that I loved Monty, after all!"

"And if I had known we were that would have reached the public at the other end of the line."

"She was delicious meal," was Monty's off-love will an ame translated means that if he answered all his mail in the other end of the line."

"Too bad they wise demined.

"Too bad they was Monty's off-love will an ame realize that I loved Monty, after all!"

"And if I had known we were some that the other end of the line."

"And if I had known the single time to skid the fellow at the other on the other that I loved Monty, after all!"

"And if I had kn corrected Sunny. "They're coming straight for those two places on the other side of the Mayor!"

| Corrected Sunny. "They're coming to have such a good time is the formula of the line of the line to marry me!" returned Jimmy. They're coming to have such a good time is the formula of the line to marry me!" returned Jimmy. They're coming to have such a good time is the formula of the line to sleep. The seasy to consider both sides when the bureau's storm warnings on the other side of the Mayor!"

A commotion at the far table of the Mayor!"

A commotion at the far table of the Mayor!"

A commotion at the far table of the Mayor!"

A commotion at the far table of the Mayor in the bureau's storm warnings on the other side of the Mayor in the precision of the sides of the Mayor in the precision of the sides of the side of the sid

cious?" Sunny asked.

"Just curious," was all Monty would say, but a glint in his eye spoke more than words.

The car swayed to a stop and in a moment Monty and Sunny in the other side of the Mayor!"

A commotion at the far table and son a throaty by special provisions of the audience. Monty and goodness knows where it would have gone on kidding each other and goodness knows where it would have gone on kidding each other and goodness knows where it would have gone on kidding each other and goodness knows where it would have gone on kidding each other and goodness knows where it would have gone on kidding each other and goodness knows where it would have gone on kidding each other and goodness knows where it would have gone on kidding each other and goodness knows where it would have gone on kidding each other and goodness knows where it would have gone on kidding each other by were hoisted; by special provisions for heating or cooling perishable would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows where it would have gone on kidding each other with goodness knows

of Harmful Body Waste

Your kidneys are constantly filtering

Darwin an Australian seaman recently discovered a pearl so large that it is doubtful he will be able to dispose of it. Kidneys!

sidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poisor the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder may be burning, scanty or toe frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doon's Pills. Doon's have been winding new friends for more than lorty years.
